nazaríes
do it simple

Conditions

This certificate covers the period from **31 March 2026** to **31 March 2027**.

The Self Assessment Questionnaire (SAQ) and Attestation of Compliance (AOC) have been prepared in accordance with the requirements and instructions of the PCI DSS v4.0.1 standard. This certificate is a record of the validation process carried out by A2SECURE and the recognition of the successful implementation of the PCI DSS v4.0.1 applicable requirements.

The scope of the current PCI DSS certification is detailed in the associated SAQ and AOC reports.

This certificate is not endorsed by the PCI Security Standards Council and has been issued by A2SECURE solely for the purpose of providing **Nazaries Information Technologies S.L.** with a record of its compliance status at the time of evaluation.

This certificate does not provide any guarantee to the security of any data or system against being compromised by a security breach. A2SECURE has no responsibility to third parties in case of loss or damage to systems due to any violation of the current security measures.
